Honors Program Application Checklist

High School Seniors will be provisionally accepted to the program based on their initial application. Final verification of GPA and eligibility for English 100 are required to secure a place in the Honors Program.

Please submit the following materials after High School Graduation:

1. Final High School Transcripts with a GPA of 3.4 or higher
2. Evidence of being eligible to take (or have already taken) English 100 by the time you start Fullerton College.

In order to be Honors Certified, students must complete at least 15 units of honors coursework and have a 3.40 GPA unless following STEM Track B. All students must also abide by the Academic and Student Conduct Policies of Fullerton College as stated in the catalogue. Failure to meet these requirements may result in being dropped from the Program.
